

FINEST PIPE TOBACCOS

by RED CAP CIGARS

KING'S SHILLING BY RED CAP CIGARS

King's Shilling by Red Cap Cigars is an exceptional English Oriental blend that honors the tradition of refined tobacco craftsmanship. This smooth, non-aromatic mixture blends flue-cured African Virginias with Black Cavendish and Mexican Burleys, enhanced by Cyprus Latakia for a touch of boldness. Finally, Turkish Samsun tobacco adds an elegant hint of spice, creating a distinguished profile that's both mild and complex. Enjoy the perfectly balanced flavors and evocative aroma of a blend fit for royalty.
